Dear Friend of the Arts,

It is our pleasure to invite you to become a founding member of the **Leading Ladies of the River Raisin Centre for the Arts**—a new circle of passionate individuals who believe in the power of the arts to inspire, transform, and strengthen our community.

The Leading Ladies will play a vital role in our theatre family, providing support that ensures the River Raisin Centre for the Arts continues to thrive as a cultural home for Monroe and the surrounding region. Through your **annual \$100 membership**—which may also be broken down into **four quarterly payments of \$25**—you will not only help sustain the RRCA's productions, programs, and educational outreach, but you will also enjoy special opportunities to connect with other arts advocates, attend exclusive gatherings, receive discounts at local Monroe businesses, and celebrate the magic of live performance together.

As a valued member, you will also receive **early access to ticket sales and seating selection for RRCA marquee shows**, ensuring you have the best opportunity to experience our most highly anticipated performances.

As a special benefit, our inaugural event will be the **Sugar Plum Tea**, where members will receive a \$5 discount on tickets.

This exciting new initiative is being spearheaded by **Erin Steel**, who would be delighted to share more details or answer any questions. She can be reached at steel@riverraisincentre.org.

We would be honored to welcome you as one of the very first Leading Ladies. Enclosed you will find additional information about the group and the ways you can become involved. Please also share this invitation with anyone you feel may be interested in joining us.

Your support makes it possible for the arts to flourish here at the River Raisin Centre for the Arts, and together, we can ensure that the stage remains a place where creativity, education, and community come alive for generations to come.

Thank you for considering this invitation. We look forward to the joy of celebrating your leadership, generosity, and love of the arts as a founding member of the Leading Ladies.
