September Newsletter

- We are looking forward to another productive season at the RRCA. Please check out the Marquee Series for your family entertainment. Support the Arts in Monroe!
- Your contribution of hand soap, Kleenex, and hand sanitizer would be appreciated.
- Studio II students should remain downstairs before class. The teacher or assistant will escort the group to the studio.
- We ask that you please pick up your child at the studio of her/his last dance class. For safety, we ask that no student be allowed to walk unaccompanied between studios. Our assistants are available to escort as needed.
- Students should have proper attire and follow the dress code. Please make sure hair is securely off the face in a bun. The only exception to this rule is for Hip Hop. See the website if you have any questions.
- Adults! Check out our adult series. Enroll now for six week sessions of Jazz, Body Conditioning, Broadway Dance, Burn the Fat Tap, and Zumba!
- We congratulate Katrina Snyder for passing the Enrico Cecchetti Diploma Classical Ballet Examination this summer. She is one of very few in the Country who have passed this prestigious examination!

It has been a busy summer! Summer shows, classes, and workshops have kept us dancing. I thank the Disney princess assistants, the college student choreographers, and all the wonderful parents who stepped in to lend a volunteer hand throughout the summer. We are so blessed!
