Education – Experience – Excitement - Excellence

October News

- Students should have proper attire and follow the dress code. Please make sure hair is securely off the face in a bun. Hip hop is the only exception. See the website if you have any questions.
- All students must wear street clothes over their dancewear outside the studio buildings.
- Parents and students should be quiet when waiting in the studio lobbies during class times.
- With respect to the other business at Benesh, tap shoes must not be worn in the hallway.
- Struggling to create the perfect bun? Isabella Ingels will provide personal instruction during desk hours on Wednesday and Thursday.

New Seats have been installed at the RRCA!
