September News

- **Benesh Studio News:** When parking in the ample lot behind Benesh, enter the driveway on 5th nearest Cass Street and exit the driveway nearest the Benesh Building. Please escort your child to the 2nd floor studios. We also have an overflow parking lot on the south side of J&R Transmission. Turn into the alley behind the shop and park in the lot between J&R and Verizon.

- There are two lobby spaces at Benesh: Studio Lobby A&B; and Studio Lobby C&D which is located within the suite. See above map.
- As in the past, we appreciate your contribution of hand soap, sanitizer, band-aids, ice packs, and tissues. Thank you for sending your donations!
- Students should have proper attire and follow the dress code. Please make sure hair is securely off the face in a bun. The only exception to this rule is for Hip Hop. See the website if you have any questions. When students are out of the classroom, students are required to wear street clothing over their dance attire.
- Time to check out the Marquee Series for your family entertainment. Support the Arts in Monroe!

Parents!

We would like to welcome new faculty member, Isabella Ingles!

If you need any assistance, Both Isabella and Rebecca Molenda will be working our front desk in the main Benesh Lobby.
