September News

- **Benesh Studio News:** When parking in the ample lot behind Benesh, enter the driveway on 5th nearest Cass Street and exit the driveway nearest the Benesh Building. Please escort your child to the 2nd floor studios. We also have an overflow parking lot on the south side of J&R Transmission. Turn into the alley behind the shop and park in the lot between J&R and Verizon.

- There are two lobby spaces at Benesh: Studio Lobby A&B; and Studio Lobby C&D which is located within the suite. See above map.
- As in the past, we appreciate your contribution of hand soap, sanitizer, band-aids, ice packs, and tissues. Thank you for sending your donations!
- Students should have proper attire and follow the dress code. Please make sure hair is securely off the face in a bun. The only exception to this rule is for Hip Hop and Conditioning. See the website if you have any questions. When students are out of the classroom, students are required to wear street clothing over their dance attire.
- Time to check out the Marquee Series for your family entertainment. Support the Arts in Monroe!

Looking forward to a wonderful year.

Student News

We are proud of all our students who participated in summer intensives over the summer!

We were pleased that many RRDA students enjoyed a full summer of dance classes at the RRCA including the guest faculty workshop with Calin Radeluscu!

Congratulations to the RRDA students who will be participating in the 2016 *Nutcracker Ballet*. The weekly rehearsal schedules will be posted every Monday as well as on the RRB website.

Thanks to Isabella Ingles who organized several photo shoots this summer and to Gail Choate-Pettit for helping to take such beautiful photos of our lovely advanced dancers.
